

Hello:

I am writing to let everyone know that elections for the FHS Booster Board of Directors is coming up in a few months.

Several of the current board members will not be returning because they have seniors who will be graduating this year. Please come to our upcoming meetings to learn more about the future and helping this great organization. All meeting dates are posted on our web site at [www.fhsboosterclub.com](http://www.fhsboosterclub.com).

The structure of the Booster Club is unique and supportive to Franklin High School. The Board of Directors is responsible for the management of the main Booster organization; but there are many auxiliary booster units operating to support the many sports and clubs at Franklin High School. Each group develops their own fund raising activities and works to support their specific group.

The Booster Club provides the corporate umbrella that includes insurance as well as the accounting and banking system for all Booster funds. The Booster club sponsors an annual Fire Works Booth that provides funds to the main operating expenses and remaining profits are distributed among the various groups that work the booth for the week long sales. In addition to the booth sales, there is a pre-sale program where groups can sell tickets that can be used at the booth. Each ticket sold is worth 40% of the total sales to the groups selling the pre-sale tickets. These tickets will be ready for distribution in early May prior to the end of the school year.

However, it does take a hard working group of folks to become Board Members to manage this operation and provide the support required to operate the Booster Club and their auxiliary groups at Franklin High School.

We need the support from the students as well as the parents/guardians to fill these offices and would like to find out who is interested by attending our Booster Club Meetings. Meetings are held each month at 7:00 P.M. in the career center.

John Hanrahan  
FHS Booster Club President

P.S. 5/18/2010 I am grateful for the assistance of the FHS staff and Mr. Mike Cody, Athletic Director, for helping recruit parents to serve on the FHS Booster Board of Directors for 2010-2011. We were successful to fill many positions. Elections will come about in May 2011, please prepare to seek an office.
