

FHS BOOSTER CLUB

What is the FHS Booster Club? The Booster Club is a non-profit California Corporation and operates as an approved auxiliary unit to Franklin High School. The Booster Club is established as a stand-alone operating unit not affiliated with any national or other public organization. Therefore, it has the ability to run itself in cooperation with Franklin High School parents and staff. It is established for parents who support their students while at Franklin and provides fund raising events that help benefit Franklin High School and the various clubs and sports groups. It has its own bank account with accounting system on-line through Quicken Software Company. This allows accounting for the many groups establishing an account with the Booster Club to keep track of their funds. Each year the Booster Club must require the families of students to complete a membership form and pay a family membership fee of \$1.00.

The members of the Booster Club who support fund raising events under the Booster umbrella then are covered under the Corporation and the liability insurance they carry for such events. It is important that the Booster Club ask parents to submit the membership form that is attached with this newsletter. Information on the form explains how to submit the form.

The volunteer members helping to support the sports, band, drama, dance, cheer or other like groups through fund raising events provide for the many items needed by these groups. These volunteers must be registered members of the FHS Booster Club. This is why the Booster Club is in operation at Franklin and asks for your support and membership registration. Membership registration is important to ensure all participating at all approved fund raising events are covered under the Corporate umbrella of the Booster Club for such activities.

When established, this Booster Club has a unique policy that allows those who participate in a booster events like their annual fire-works sale, those working in at an event have their hours count towards a share of the profits. That share then goes to the group marked on the membership form.

The booster club maintains a web site with lots of information: <http://www.fhsboosterclub.com>.

To learn more about the Booster Club check out their information pamphlet on-line at: <http://www.fhsboosterclub.com/FHS%20Booster%20Org%20Documents/Booster%20Information%20and%20Procedures.pdf>.

Please take a moment to complete and send in your membership form. . <http://www.fhsboosterclub.com/forms.html>

The Booster Board hopes to see you at their monthly general meetings at 7:00 P.M. in the Career Center. Check the web site for dates. Usually the third Tuesday of each month, but sometimes school calendar or holidays cause the date to change. <http://www.fhsboosterclub.com/meetings.htm>

Links to the booster web site can be found on the Franklin High School web site and on School Loop.
